

Sunday 14th April 2019

Please come along to support our road safety riding campaign.

This is a ride to raise awareness of how road users should safely pass horses, riders and other vulnerable road users. This ride will be happening up and down the country with over 60 other counties taking part.

Horse riders, carriage drivers, walkers and cyclists are invited to join the ride.

Your local ride will start at Styles Farm, Harescombe, GL4 0XF. First horse to leave at 11am and all participants should have left the start point by 12pm.

A set route on roads and lanes will be planned out, passing through the Parishes of Brookthorpe, Harescombe and Haresfield. A longer and shorter route available max 8 miles.

Remember our aim is to encourage drivers to PASS WIDE and SLOW when passing vulnerable road users. Smile, be polite and have fun and not to upset anyone.

Suggested donation of £5 for riders, this will include a rosette. This ride has been completely voluntarily organised and is non-profit making. Remaining funds to be split between Great Western Air Ambulance Charity (1121300) and The Welsh Pony Rescue and Rehoming Charitable Trust (1171060)
